Energy Attunement Deck™

A New Tool for living in Joy.

This elegant deck of 49 cards gives you a new way to connect with life energy flowing around and through you.

It draws from a lifetime of painting, spiritual studies and conducting Energy Attunement Salons throughout the Americas.

The Seven Chakra Angels who brought Diane back to life and guide her take their places in this deck as your energy guides.

The Deck and its companion the Mystic Tapestry map a new way to understand yourself as a healing community of Energy Centers.
